

Please do not allow the Do Not Call List to be terminated or amended.
Since the Do not call list was implemented our calls have been reduced by 60%.

These calls are an invasion of our privacy and very disruptive to our family. We have received calls as early as 6:00 am and as late as 11:00 pm and the caller are very rude when you tell them you are not interested in their product. Often you will be called repeatedly when you tell them you are not interested or hang-up on them. They are truly a nuisance.
